

## Adult Basic Literacy Education Program – Special Initiative Project IDEAL – Distance Learning HUB’s and Referring Programs

Project IDEAL is a national Distance Learning project working with a consortium of states to develop effective Distance Education Programs for adult learners. In Ohio, Project IDEAL is comprised of seven HUBS’ or centers that establish, develop, and implement, distance-learning environments utilizing GED Connection and Skills Tutor Curriculum.

The list below details the regional HUB’s (in bold print) and the local referring partners that learners may contact to get connected with these distance learning programs. Contact the local program nearest you for details on how to get started today!
